5TH POWER Sri Lanka 2011 International Expo

Sri Lanka's premier International Exhibition on Power Generation & Transmission, & Energy

Held on 16 ~ 18 June 2011 @ Sri Lanka Exhibition & Convention Centre, Colombo – Sri Lanka

Official Event Website : www.powersrilanka.com

CEMS-Global - Conference & Exhibition Management Services Ltd.- USA & CEMS Lanka, the Multinational Exhibition Organizer since 1992, with its operations in 7 countries and organizing over 37 Exhibitions per annum, in its efforts to organize the most important and much needed Trade Shows in South & South-East Asia, has organized its Premier International 'POWER series of Exhibitions' once again in Sri Lanka as the '5th POWER Sri Lanka 2011 International Expo' – focusing and devoted to the development of Power Generation & Transmission, Alternative Power, PV Power, Energy and Renewable Energy sectors of Sri Lanka, from 16 ~ 18 June 2011, at Sri Lanka Exhibition & Convention Centre (SLECC), Colombo – Sri Lanka.

On the same dates, Concurrent Exhibitions are also being held, namely, (a) **Renewable Energy Sri Lanka 2011 Int'l Expo**, and (b) **E-Power Sri Lanka 2011 Int'l Expo**, focusing on Electric Power Equipment and Technology.

With the above 3 exhibitions in one go, it is a one comprehensive exhibition focused not only to the entire Power & Energy sector of Sri Lanka but also catering to the needs of Power & Energy for the entire Industry sector of the Country.

'5th POWER Sri Lanka 2011 International Expo' is endorsed by the 'Ministry of Power & Energy' & 'Ceylon Electricity Board' (CEB).

Co-Partner of the Exhibition is SUZLON.

CEMS-Global's 'POWER Series of Exhibitions' is an International branded series focused in South & South-East Asia and is held annually in Bangladesh, Indonesia & Sri Lanka.

This Exhibition has brought together under one roof all stakeholders in the Power & Energy Industry under one B2B platform and a significant leap can be taken in Sri Lanka's Power & Energy sector by close interaction between the exhibitors of the Exhibition from over 10 countries and the local entrepreneurs leading to successful partnerships & Joint - Ventures to accomplish the Government's Vision of fulfillment of people's aspirations and successfully facing the challenges of the sector.

SUZLON Energy Ltd. - India

With the ever-growing power & energy needs of Sri Lanka thus making a need to explore newer opportunities in the **Power, Energy, PV (Photo Voltaic) and Renewable Energy sectors of Sri Lanka**, 5th POWER Sri Lanka 2011 International Expo is the leading B2B platform for the entire Power & Energy Industry of Sri Lanka including Sri Lankan Industry stakeholders who will attend and get the opportunity to see the latest technologies and innovations in the Power Generation and Energy sector thus delivering a great networking opportunity.

5th POWER Sri Lanka 2011 International Expo provided the Exhibitors a not-to-be-missed opportunity further establish business contacts and get face-to-face and interact directly with the visiting Trade Delegations, Industrialists, Importers, Distributors, Agencies hence a great and only B2B platform of its kind in Sri Lanka and a unique opportunity with a rapidly developing Industry sector where investments are now on a rise with new Industrialization making Sri Lanka a very important Business destination in South Asia.

Hence with display of latest innovations and technology of the world in Power & Energy sector in 5th POWER Sri Lanka 2011 International Expo with its concurrent exhibitions on Renewable Energy and E-Power, the Expo played an important role in familiarizing the local entrepreneurs with the newest technology right at our doorsteps, in this highly potential sector of our Country with a huge scope for expansion. The Government also wanted to seek new technology with emphasis on tapping the alternative energy sources for Power Generation which took a big load off our existing reserves used for Generation.
